Meeting recessed at 6:20 PM.

Meeting resumed at 7:30 PM with Moderator George Earnshaw.

Roland Stockbridge spoke on our responsibilities to bring truthfulness and justice to our community. He then asked us to join in asking God's guidance in the task before us.

A salute to our flag was led by George Earnshaw.

Our moderator introduced the Selectmen present, Wendell Thompson, R. Christopher Templeton, Administrative Assistant, Dorothy Palmer, Town Clerk, Barbara Adams and Assistant Moderator John Sanders.

Appreciation to Wendell Thompson for his years of service was shown by a round of applause.

Mr. Earnshaw asked for a show of hands of anyone in the hall who was not a registered voter. They were reminded that they needed permission to speak. He then reviewed the rules which would be upheld during the meeting.

(Recommended by Budget Committee)	

A motion was made and seconded to wave the reading of Article 8 in interest of time. Kenneth Leavitt made a motion to amend Town officers salaries to increase by \$15,000 and town officers expense by \$5,000.00 so that they could use money to provide for the establishment of the position of code enforcement officer.

Discussion followed and questions were asked by Donald Meader if salaries could be amended. Kenneth Leavitt suggested that Legal Council be asked and James Patten, Towns' Attorney present, felt it was in good order.

Ralph Buchanan then asked Mr. Leavitt what ordinance needed additional funding. Mr. Leavitt said enforcement of the 1) Sign Ordinance, 2) The Excavation of Gravel Pits and 3) Planning Board.

Mr. Vacca asked that if we could raise this salary could we raise others and if this meeting runs over could we meet another day? Mr. Earnshaw said no to the salary and yes we could run meetings to another day if necessary.

David Williams questioned the fact that in several areas money that was voted in last year was not expended and wanted to know why we needed more money this year taking that into consideration? It was explained that we don't always expend the money but the need may still exist. He then asked what the Revenue item on page 48 was. Mr. Templeton told him that it was revenue from the sale of maps, photo copies and voter lists.

Vote to increase the salary and expense of the town office was defeated. Gerard Powers Jr. moved that we accept the Town Officer's Salaries and Expenses as read.

Ralph Buchanan asked if the Selectmen would update us on the Solid Waste Disposal Status. Mr. Templeton said that they expect to be operating by April 1, 1987 and that the towns people would be informed in advance as to the requirements.

Mr. David Williams inquired what the expense to date was on this incinerator project. Mr. Thompson said that they had a contract in hand and a loan of \$213,400 as well as the \$125,000 raised last year. Money will be withheld to insure completion.

Ralph Vacca asked if the \$87,560. on this item was for the first payment? And why is it that we now need three people to run the program when it was originally estimated that we would need 1½ men?

Mr. Williams asked if the Selectmen still feel that the incinerator was of ample size to meet our needs? Mr. Thompson said he wasn't sure but he believed so.

Mr. Buchanan showed concern about a warrantee or guarantee. Mr. Thompson assured them that there was coverage for the major needs.

Discussion on the fact that the Bobcat purchased was the wrong

size and the Selectmen have decided to cut the bucket to fit.

MOTION TO AMEND ARTICLE 8

To amend Article 8, for Town Officer's Salaries by an amount not to exceed fifteen thousand dollars (\$15,000) and For Town Officer's Expenses by an amount not to exceed the amount of five thousand (\$5,000); for the purpose of establishing the position of Codes Officer whose duty it shall be to represent the Board of Selectmen in administration and enforcing the Town's existing and future ordinances and regulations.* The position of Codes Officer does not supersede the Board's authority or obligations. The appointment of a qualified codes officer shall be coordinated under the guidance of the N.H. Municipal Association.

*including but not limited to Sign Ordinance, Excavation and Restoration Regulations, Subdivision Regulations, Zoning Ordinances and Health and Safety Ordinances.

Article 9 To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of Carroll County against Domestic Violence and Rape. (Submitted by petition) (Recommended by the Budget Committee)

Article 10 To see if the town will raise and appropriate the sum of \$1,500.00 to assist the Family Health Center (Family Planning Pre-Natal and Primary Care Program). (Submitted by petition) (Recommended by the Budget Committee)

Bernard Stiff asked to have someone speak on this. Elizabeth Rouser told them it is the work of the Carroll County Mental Health Center and it is an education and nutrition program. So far this program has been doing very well and she recommended we pass it.

Article 11 To see if the Town will vote to raise and appropriate the sum of \$1,407.00 for the purpose of the celebration of the Bicentennial of the U.S. Constitution. (Not recommended by the Budget Committee). Hand Count was taken.

DEFEATED

Article 12 To see if the Town will vote to raise and appropriate the sum of \$13,000.00 for the purchase of a police cruiser and authorize

the withdrawal of \$6,000.00 and accumulated interest for the Capital Reserve Fund established from that purpose. (Recommended by the Budget Committee).

Question was raised as to the \$6,000.00 This money is available through revenue sharing but needs vote to be used. Jack Fogarty answered other questions about the crusier.

PASSED AS READ

Article 13 To see if the Town will vote to raise and appropriate the sum of \$63,000.00 for the purchase of a highway dump truck and authorize the withdrawal of the interest remaining (approx. \$1,800.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. (Approved by the Budget Committee).

Deborah Roberts questioned if this truck purchase would improve road conditions on Elm Street? David Helme (Budget Committee Member) said that there is budget money left to complete work on Elm Street. Mr. Ralph Vacca said that he felt that the road crew was doing a great job.

PASSED AS READ

Article 14 To see if the Town will vote to raise and appropriate the sum of \$31,100.00 for the Ossipee Recreational Project. The Selectmen are directed to apply for, accept and expend Federal Land and Water Conservation Fund Grant Funds or other Federal or State Funds which may be available for this project to reduce the cost to the town. (Recommended by the Budget Committee).

Jan Vantassel asked if this includes working on the town beach? Barry Rollins said no. Barry explained that it is for the Route 25 project. Bonnie White explained about the ball field and the plans they have. This will include getting water and building equipment shed. Bernard Stiff asked if this was for beginning the plan and Bonnie told him no.

Article 16 To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to be put in a Capital Reserve Fund toward the purchase of a Cardiac Defibrillator for the Rescue Squad. (Not recommended by the Budget Committee).

Mr. Van Hoff asked why the Budget Committee did not recommend this. Wayne Aleska said that they felt that because it was not something they would need right away (due to the fact that the personnel were not trained to use this) they felt they would not recommend. Wayne Aleska said that training was coming up soon and because it is so expensive that he thought that it would help to spread it out over two years. Ronald Bergeron asked if they anticipated the Budget Committee approving it next year. Brian Lord asked about the necessary response time using this equipment and also about the liability involved. Wayne said that his insurance would cover it if the towns or ambulance service's didn't.

Article 17 To see if the Town will vote to apply for and accept Federal Housing and urban Development Block Grant Funds in an amount not to exceed fifteen thousand dollars (\$15,000.00); said funds to be used for an Ossipee Water Supply Feasibility Study. (Submitted by petition) (Recommended by the Budget Committee).

Elizabeth Sanders asked for an explanation on this. Barry Rollins said that this is taking over a water system which is now Owned by the County. Bob Wade stated "I thought we already had one. Barry explained that this is in Ossipee Corner and that the county wanted them to take it over to get them out of the water business. Loretta Lyman showed concern that the water supply was not ample and we would be smart to look into it first. It was explained that this supply would only run to the Court House.

Article 18 To see if the Town will vote to authorize the Planning Board to review, and approve or disapprove site plans for the development of tracts for nonresidential uses, or for multi-family dwelling units, which are defined as any structures containing more than 2 dwelling units, whether or not such development includes a subdivision or resubdivision of the site.

Bruce Bennett, Chairman of the Planning Board, said that this is to allow addressing commercial use of land and public safety. They need authority for town to draft plans. Donald Meader asked

if this is necessary considering the present status of the zoning legal situation. Bruce said that they have been advised by their lawyers to proceed just as if the Zoning was in effect. He also made comment that the Planning Board has already begun drafting a new zoning plan to supersede the original one if it is declared illegal by the high courts. Ralph Buchanan and Gerard Powers Jr. question the legality and the possibility of more law suits. Atty. Patten said that this is a Condition Precedence and he does not feel a vote on this would affect legal problems on the towns part. A hand vote was taken and it was 131 in favor and 66 Opposed.

Article 19 To see if the Town will vote to accept the water rights, dams, and related real property along the Dan Hole River presently owned by the Center Ossipee Fire Precinct, subject to a confirming vote by the Center Ossipee Fire Precinct at its 1987 annual Precinct Meeting. (Submitted by petition)

Richard Morgan, Ctr. Ossipee Fire Commissioner, spoke and answered questions from David Williams & Isaac Buswell who were concerned about the repairs and upkeep expense. Bob Picard asked who would be responsible for these repairs. Mr. Morgan said the Town as a whole. David Williams asked that the town not accept.

PASSED AS READ

Article 20 To see if the town will vote to elect the seven members to the Planning Board pursuant to RSA 673:2 Par. 11 (Submitted by petition).

Donald Meader moved we pass over Article 20, 21, 22, and 23. David Helme said that the Selectmen have the power to appoint and he felt it shouldn't be taken away. Frank Riley supported the pass over motion. The moderator announced that if we did not pass over this that there were requests that these be by secret ballot. Mr. Meaders motion was made and seconded and voted to pass over.

PASSED OVER (Article 20)

Article 21 To see if the Town of Ossipee, NH will vote to have the position of Road Agent filled every two years by election. Said election to be on the ballot as for other town offices, to become effective at the 1988 town election. (Submitted by petition).

PASSED OVER

Article 22 To see if the Town of Ossipee, NH will vote to have the position of Director of the Recreation Department filled every two years by election. Said election to be on the ballot as for other town offices, to become effective at the 1988 town election. (Submitted by petition).

PASSED OVER

Article 23 To see if the Town of Ossipee, NH will vote to have the position of Police Chief filled every three years by election. Said election to be on the ballot as for other town offices to become effective at the 1988 town election. (Submitted by petition)

PASSED OVER

Article 24 To see if the Town will vote to authorize the selectmen to reconvey to Pierre-Yves Cathou Lot #3 Subdivision #7 Indian Mound Development, which he had previously given as a gift to the town, upon payment by Pierre-Yves Cathou of an amount equivalent to back taxes and interest on said lot and all cost to the Town to accomplish said reconveyance.

Wendell Thompson explained that this man felt the lot was not of sufficient size to build on. Later he found it was buildable. This land is under conservation administration and they feel it is ok to give it back. Selectmen's opinion is that we should keep this lot as it has deeded rights to Ossipee Lake.

DEFEATED

Article 25 To see if the Town of Ossipee, NH will vote to reclassify Bean Mountain Road (presently an existing Class Six (6) Town owned road) to a Class Five (5) Road for a distance of fifteen hundred feet (1500'), starting at the bridge on Conner Pond Road. (Submitted by petition.)

Donald Meader recommended we table Article 25 and 26. Motion was made and seconded and vote was to table.

TABLED

Article 26 To reclassify the Class 6 Town road which is the westerly extension of the Connor Pond Road for approximately one mile to the Ossipee Town line to a Class 5 road. (Submitted by petition).

TABLED

Article 27 To see if the Town will vote to instruct the Town's Representatives to the Court to take all necessary measures to in-

sure that no low level radioactive waste from the Seabrook Nuclear Plant shall be stored or disposed of within this Town of Ossipee unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the Annual Town Meeting by written ballot.

Some discussion was held with Rep. Gerard Powers Jr. He also asked at this time if we showed any interest in joining with other towns on a waste disposal joint effort. No apparent interest was shown. One member stood up and suggested we get our plant rolling before taking on anyone else.

PASSED

Article 28 To transact such other business as may legally come before the Town Meeting.

Donald Meader made mention of the memorial to Murray E. Cate Sr. and Edward P. Hickey in our book and commented on their fine contributions to our community. Applause followed.

Warren Witherill acknowledged what a good job our new Moderator George Earnshaw did this evening.

Richard Fahy asked if there could be an investigation of the fact that private drives are being plowed with Town Equipment. The moderator suggested that he see the Selectmen about this matter.

Charles Pearson suggested that we move the meeting to the Ossipee Central School Gym next year so that all attending can have the room to sit.

Donald Meader moved to recess at 9:47 PM to begin ballot count.

Ballot clerks finished counting ballots and meeting was adjourned at 1:20 AM.

Respectfully submitted,
BARBARA R. ADAMS
Town Clerk

TOWN MANAGER REPORT

Over the past few years the Town of Ossipee has experienced many changes associated with rapid growth.

We are all very aware of the affect of this growth with respect to the loss of open land, wildlife, historical structures and above all the small town character of our community.

We in town government strive to strike a balance for the preservation of a cherished way of life, while guiding the direction of economic and social needs for the towns prosperity and growth.

This is a challenging time for all citizens and officials of the Town of Ossipee. We are all in this as a **TEAM EFFORT** for the benefit of the **TOWN**.

I would like to thank all those volunteers who give countless hours for this precise purpose and I invite those who would like to join the team; to **GO FOR IT**. The opportunities to serve your town have never been so sorely needed.

In closing, thank you Board of Selectmen, Town Staff, Departments and all of Ossipee's citizens for the opportunity to serve your Town in the growth process.

Respectfully Submitted,
TERESE LEE CLIFFORD
Town Manager

REPORT OF THE LIBRARIAN

1987

In 1987 Ossipee Area residents, both adult and youth, continued to use Ossipee Public Library for reading current novels, looking up in the reference books, reading and borrowing magazines, attending interesting programs, borrowing videos, picking up IRS forms, using the new copier, and meeting their neighbors who were doing the same things.

Not only adults, but children also use the library in several ways. Children from the fifth and sixth grades come to the library during school time each week and sign out books. In the summer, a reading game is offered to those who can read by themselves. In 1987 27 children read a total of 192 books to "Find the Treasure." Volunteer Leslie Jorgenson painted the map of Treasure Island.

Preschool children have story hours. In the summer, 98 children attended story hours and made simple crafts. Stories were read or told by Priscilla Reny, Ruth Loring, Isabelle Clark, Dianne Applin, Eileen Leavitt, and Ann Baldwin. During the school year, kindergarten children came to the library from school for a short story time.

All area children were invited to special programs by Becky Graber, "Stories of Summer," and to a program of live N.H. mammals from Squam Lake Science Center. 66 children enjoyed these free programs.

Free movies were also seen by 61 children. These are borrowed from the New Hampshire State Library.

Adults attended programs by Professor Metting on New England Literature; also a talk and slides about the White Mountains by Dartmouth Professor Robert McGrath. In December, a preview video on mushrooms was presented by Bob Corkery.

Many services other than the above are offered to users of Ossipee Public Library. The copier has proven very useful. A Polaroid camera is available for loan. Videos are also on loan and soon there will be more.

All of the above services and activities, plus the ordering, processing, and loan of books, are being accomplished in the same two rooms in the library which were considered adequate 50 years ago. It is very apparent that more space is urgently needed to continue and improve library services so that Ossipee Public Library can keep up with the knowledge of these years and with the influx of new residents.

The librarian wishes to thank the following volunteers whose help has been so welcome and important in improving the library and in presenting our programs: Betty Kennard, Isabella Clark, Mary Buswell, Leslie Jorgenson, Ken Perry, Cher Riley, Lois VanCor, Fred VanCor, Sylvia Witherell, Priscilla Reny, Ann Lessard, and Ann Baldwin. Georgina Leland, library aide, is now a valuable member of our staff.

The support and encouragement of Ossipee citizens, town officials, and library trustees are much appreciated by the librarian and staff of Ossipee Public Library.

REPORT OF THE LIBRARY TRUSTEES

Books are stacked in corners, under tables, on chairs. The library staff move boxes of books from one crowded area to another. Accommodating an audience at special programs is increasingly difficult. Our limits have been surpassed!

Your Ossipee Public Library has experienced another busy and exciting year - as evidenced by many new books in circulation, borrowers now numbering more than eleven hundred, children discovering summer reading on a treasure island and becoming a storyteller's audience; adults pondering over early American literature, images of our White Mountains, and wild mushroom

gathering; townspeople viewing the work of a local artist. This busy library building is also experiencing a serious lack of space.

The rapidly increasing demands placed upon your library have overtaken the services that can be offered by the existing facility built in 1939. We now face the necessity of building expansion. In response to a townwide invitation issued in November, a ten-member preliminary study group was organized and has been meeting regularly. A building program is currently being developed and plans are underway for an architectural feasibility study. With townspeople working together, an expanded building can become a reality and your library can continue to meet the educational and cultural needs of Ossipee's families - a library which we can all be proud to claim in our community.

We have been fortunate to receive the dedicated services of Librarian Ruby Pearson, Library Aides Enda Slack and Georgina Leland, and dependable volunteers. We appreciate the continued support of town officials and Ossipee residents and invite all to become active library patrons.

Respectively submitted,
RUTH LORING, Chairman
EILEEN LEAVITT
CATHERINE ZIEGLER

REPORT OF OSS�PEE POLICE DEPARTMENT

Annual Report 1987

To the Selectmen of Ossipee and Citizens of the Town:

The year of 1987 has brought significant changes to the Ossipee Police Dept. Most notably the retirement of Chief Jack Fogarty in late December. He will be missed by many. Officer Ervin White also resigned his position as a part-time officer after many years.

I took over in the middle of December and we have many plans for the year ahead such as updating equipment and filing system. I will also be introducing ways of bringing in revenue for the first time. We will also have office help for the first time. Officer Martha French will be filling this spot. Officer Richard Morgan completed the police academy finishing 7th out of a class of 43.

I have received several calls welcoming me to the community and the early support is appreciated. I have also received several calls with concerns over the level of speed in several areas of town. We hope to address this problem.

I also hope to hold an open house or meeting to hear any concerns anyone has within the town.

Sincerely,
BRADLEY B. LOOMIS
Chief of Police

SELECTMEN'S REPORT

During 1987 Ossipee was caught in the midst of rapid change and growth. Each department is growing and the demands on town services are becoming more complex. We are not alone.

- We attended meetings in Wolfeboro with other Officials and Selectmen from the surrounding towns in an effort to solve regional problems which all New Hampshire towns are facing.

- Our Town Hall is used extensively by the community, town officials and outside Agencies. the various departments are in cramped and inconvenient quarters. Our Town Hall has served the town well, but it is now bursting at the seams. Remodelling may be possible which would improve the efficiency but a space use study is necessary to determine if the changes can be internal or whether an addition will be required.

- The town is facing increased requests for town water and sewage disposal in the Center Ossipee district. This involves both residential and commercial hook ups.

- A Road Plan Committee was formed to establish an up to date road inventory, list correct names of streets, and establish criteria for acceptance of private or reclassification of town roads. With growth on existing Class VI roads and private developments, we are receiving more requests for maintenance and reclassification of roads.

- The town beach at Duncan Lake saw increased use this past Summer. A gate was installed at the entrance, maintenance was stepped up, and a dusk patrol was established.

- Following increased complaints of speeding, we purchased radar and are now installing NO PARKING signs in congested parts of the town. Blinking lights were installed near the Ossipee Central School for the safety of the children.

- Following input from the Town Manager and New Hampshire Municipal Association, we signed the first Union contract for the Town of Ossipee.

- The Ossipee Incinerator officially opened on April 8, 1987. Residents learned to separate their garbage or pay to have it

hauled away. New Hampshire Resource & Recovery Association was hired to dispose of the large metal pile. Problems which we are facing in this department are bulky items such as stumps, sheetrock, tires, long term ash disposal and final closeout of the old landfill.

- Last Spring we approached the Owner of the Center Ossipee Inn for either reconstruction or demolition of the standing, burned structure. During the summer of 1983 the Inn was severely damaged by fire, one of the worst fires which Ossipee has ever witnessed, threatening the entire Village area. After lengthly discussions, it was finally decided by the Selectmen that the building presented health and fire hazard to the area and the building was demolished in the Fall of 1987.
- Ossipee suffered and survived the worst flood in fifty years in April of 1987, causing much damage to the flood disricts and some damage to the Whittier covered bridge in West Ossipee. The Red Cross was called in to assist people and businesses. The Selectmen thank all of the volunteers and agencies who pulled us through this bad time. The West Ossipee Fire Department was presented a plaque in recognition of their service to the community during this flood.
- A contract has been signed with Amrac Cable which hopefully will bring cable T.V. to Ossipee in the latter part of 1988.
- The Ossipee Recreation Area on Route 25 is progressing, fencing has been installed, and this year the ballfields will be in use.
- Town Officials are pursuing a work Incentive Program in its handling of welfare recipients. We have already put two people to work. Work Incentive programs have worked well in other towns and we feel that this is one answer to our welfare problem.
- A five year lease has been signed with the State of New Hampshire for a large parcel on Ossipee Lake in an effort to establish a town beach on Ossipee Lake. This parcel adjoins and is part of the Hodgdon Beach property. This year we will pursue the purchase or right of way over private property for access into the beach.

Selectmen, Town of Ossipee

SELECTMEN'S REPORT

To the Residents of the Town of Ossipee,

I would like to take this opportunity to express my appreciation for your support during this past year.

To the employees of the various Town Departments and volunteer committee members, a special thank-you. I feel that with our continued combined efforts Ossipee will meet the many challenges ahead and will achieve its fullest potential.

I would like to welcome Terry Clifford, our present Town Manager, and Brad Loomis our new Chief of Police.

During the year 1987 Ossipee lost the services of two valuable employees, Police Chief Jack Fogarty and Administrative Assistant Dorothy Palmer. Chief Fogarty retired in December after 17 years of service to our town. To all who contributed to the success of his retirement party, WELL DONE. To Jack and his family I wish many happy years among the ranks of the retired. Good luck Jack you'll be missed. To Dorothy Palmer, who left public service work to face a new challenge in private industry, thank-you for your 13 years of service to the needs of the town in your special position as Administrative Assistant to the Board of Selectmen. On behalf of myself and former Selectmen I extend a special THANK-YOU for making our jobs easier. Best wishes in your new position, our loss is their gain.

Respectively,
RALPH ELDRIDGE
Selectman

OSSIPEE RECREATION DEPARTMENT

To the Selectmen and Citizens
of the Town of Ossipee

The Ossipee Recreation Committee under the direction of Curly Nudd, is pleased to submit this report to the Town. The committee's efforts have again been centered on completion of the new recreation area off Long Sands Road. As of this date the field has been seeded, the fencing and backstop are in place and by spring we expect to have the water, maintenance building, rest rooms and septic system completed. Plans are in progress for a dedication ceremony sometime in June. The committee would like to thank the people of Ossipee for thier continued support of this project and hope it provides many years of enjoyment to all.

To the Ossipee Selectmen and Citizens of Ossipee:

Community Action Program (CAP) is a non-profit agency providing a great service to Ossipee. CAP is the True Welfare arm of the Ossipee Selectmen as stated and recorded Nov. 23, 1987 at the Selectmen's meeting.

In 1987 The Community Action Program (CAP) provided the following services in the Town of Ossipee: Fuel Assistance in the amount of \$91,250.00; USDA food (cheese, butter, dry milk, flour, corn meal and rice) totaling \$7,287.62; Weatherization (furnace repair and or replacement, insulation, repairs to leaky roof's) \$10,321.29; Christmas Baskets (USDA food) dollar value \$941.49 (Thanks to The Gallows 11 Youth Group for paying the transportation for the USDA food for these baskets); FEMA: (food pantries, electric disconnects, evictions, etc.) totaling \$3,371.57.

Outreach: Assist Ossipee residents with information, a go between for needed services, filling out forms and contacting VET's, SS, SSI, AFDC, HOUSING (elderly). The CAP agency is represented at regular monthly Network meeting, working closely with the Visiting Nurses, Salvation Army, Red Cross, NH Dept. Health and Human Service, Legal Aid, Senior Meals Programs, local Lions clubs, etc. Outreach is a never ending project changing daily by the needs of the area people.

Headstart: CAP has had a Headstart Program in Ossipee for 25 years. 19 students are in the Ossipee program at the present time. Headstart has been proven to be the most successful social service program in the Nation.

GED & ATP: The Adult Ed., Basic Ed. and Tutorial Programs are growing and offer area people the opportunity to improve their learning skills and receive a High School certificate if needed.

Ma's Closet: Ma's Closet is open daily and provides a two fold service, clothes are available to our clients also people can drop off items no longer needed.

North Country Senior Meals & Wheels is another department of CAP which supports Ossipee Senior Meals Program with funds in the form of per meal reimbursement.

We are grateful and appreciate all of our Volunteers for a job well done. Our thanks to the residents of Ossipee for their support during the past year, giving us the opportunity to service the people of their town.

REPORT OF THE OSSIPEE PLANNING BOARD

During 1987, the Planning Board approved 31 lots in 12 subdivisions and 5 boundary line adjustments.

As far as other work, the Earth Excavation and Restoration Regulations were amended, and after a public hearing in January were adopted. The Water Resource Protection District, which involved extensive data collection and correlation, was completed and passed as a Zoning Ordinance amendment in the Town Meeting in March 1987.

Because the Zoning Ordinance was found invalid in the courts, the Planning Board revised and expanded the Proposed Zoning Ordinance to reflect the input given from both the public hearings and recommendations from legal counsel. Due to the extensive amount of time spent revamping the Zoning Ordinance, other projects were put on the back burner such as updating the Subdivision Regulations, a Capital Improvement Program, and updating and revising the Master Plan.

Recognizing the need for affordable housing in Ossipee, the Planning Board initiated contact with the Northern New Hampshire Housing Cooperative to seek a solution. The town was able to apply and be granted state funds for a site and structure feasibility study for affordable housing. Currently, there is an eleven member task force researching sites around town which may be used for this purpose.

In the course of the year the Planning Board had 99 meetings and/or workshops. The Planning Board was represented at:

- 1) The Governor's Council on Growth - means of coping with growth on a statewide basis
- 2) Affordable Housing Conference - various ways of providing affordable housing on a statewide basis and financing which helps provide affordable housing
- 3) Use of Soils in Subdivision Review Workshop - a study using high intensity soil surveys with local use
- 4) Erosion and Sediment Control Workshop - use in subdivision and site plan review to protect streams and rivers from undue erosion sediment
- 5) Roads and Development Workshop - recent legislative changes, ways municipalities can deal with development through the use of traffic planning and road design, and road and bridge classifications

- 6) Impact Fee Workshop - means for towns to implement an impact fee system whereby the developer pays his proportionate share on the impact of increased use on town services from the development (i.e. school, roads, solid wastes, fire, police, etc.)
- 7) Growth and Development by legal counsel - explanation of state statutes and how they can be implemented in municipal regulations
- 8) Law Lecture Series - 4 lectures - municipal and official's liability, enforcement of local ordinances, recent court and legislative developments, and growth and growth management
- 9) Lakes Region Planning Commission meetings - two members regularly attend these meetings. They have had a series of workshops of which were:
 - a) New Hampshire Lands Trust - means for the town to apply for state funds to have a town beach
 - b) Fiscal Impact Studies
 - c) Hazardous Waste Collection
 - d) Regional Traffic Study, and
 - 6) Regional Master Plans.

So it has been a very busy year for the Planning Board. Currently, we are reviewing, one boundary line adjustment and four subdivisions which total 73 lots. We are also in the process of rewriting the subdivision regulations. We anticipate in the coming year to update elements of the Master Plan such as the Water Resource Protection District and housing, as well as presenting a revised Proposed Zoning Ordinance. The latter is in response to the increased need for regulations to help the town regulate growth. When the ordinance becomes enacted, we will write Site Plan Review regulations, which were passed on the ballot in March 1987, and by state statutes cannot be enacted until the Zoning Ordinance is in place.

Currently, with the workload we have, we are meeting every Monday and Tuesday night, and the meetings are open to the public. We encourage you to become involved, and give us your comments and ideas. We thank those people who have helped and given us support this year and look forward to more in the future.

SUSAN MORRISON, Member
Ossipee Planning Board

ANNUAL DOG REPORT

Well 1987 has proven to be an interesting year. Dog registrations are up dramatically in the past 2 years, making for a record high level.

Other areas seeing new heights are the areas of civil forfeitures, which are penalties against violators of the dog laws or ordinance without appearing in court. Court appearances also hit a record and all cases that went to trial were found in favor of the state, the court imposed fines to dog violators, and the removal of 6 dogs from their homes.

There also seems to be an increasing number of complaints about dogs causing property damage. This should be of concern to the dog owner for they are the ones who are ultimately responsible for the damage, and in this area all avenues of enforcement were utilized.

We saw again for the second year in a row a dog that was shot under mysterious circumstances, let me take this moment to remind those to whom this applies **THERE ARE NO PROVISIONS IN THE LAW WHICH ALLOW THE KILLING OF A DOG WHILE THAT DOG IS ON ITS OWN PROPERTY.**

MOST DOG OWNERS have their dogs and respect the laws, it is only a few that seem to be the repeat violators and I hope that I painted a picture that there are many more dogs, dog lovers and complaints in town, therefore we can no longer afford to be lax. We must and will enforce the laws for the sake of all.

I am indeed thankful that this year did bring about a new awareness to many and that the number of dogs killed on the roadways was down from the previous year.

To all of you who found that when you are being annoyed by someone else's dog, the course of due process can be flustering. Yet justice can still prevail. I thank you for your patience.

DANIEL T. WEEDEN

COMMUNITY NURSE
Visiting Nurse Association
of Wolfeboro and Vicinity, Inc.
Box 141, Wolfeboro, New Hampshire 03894
(603) 569-2729

ANNUAL REPORT

In 1987 the Staff of the Visiting Nurse Association of Wolfeboro and Vicinity, Inc. made 1499 home visits to 119 Ossipee residents. This represents an 8.2% increase in visits over 1986. 84 pre-school children received care through our Child Health Program; while 41 school age children received immunizations. 50 residents attended our Influenza Clinics. Mrs. Sandra Montgomery, R.N., one of our staff nurses, continues to be available Tuesday morning from 8:30 to 9:30 to check blood pressures and to provide health counseling. She also makes regular visits to the Ossipee Concerned Citizens meal site. Last year 115 people were seen at these two sites.

Several changes occurred during 1987, which have allowed us to increase our services. We have added two Home Health Aides to our staff. Providing this service directly allows us more flexibility in scheduling to better meet clients needs, increased availability of supervision and correlation of services at a decreased cost. An Affiliative Agreement provides for increased co-operation in providing needed Health Services to local residents.

All Home Health Services are provided under direct orders of each client's physician. As a Medicare Certified and State Licensed Agency we bill insurances for all care provided whenever possible; a sliding fee scale is utilized if insurance is not available. The request we make each year for a Town Appropriation is based on the otherwise unreimbursed costs of the services provided to residents of your Town. It is the financial support you approve that allows us to continue to provide needed services to residents who are unable to provide payment for themselves.

We are grateful for the support Ossipee residents have given to our Annual Appropriation request and to our Annual Fund Drive; for the use of St. Josephs Church for our Child Health Clinics; and the co-operation of all who volunteer their time to our projects. We thank you all.

Sincerely,
DAVENA R. DeWOLF, R.N.

OSSIPEE CONCERNED CITIZENS

To the Selectmen and Residents of the Town of Ossipee.

The year 1987 marks the end of twelve years of providing services to the residents of Ossipee. During this period Ossipee Concerned Citizens has grown from a small catered meals service to a multi-service Human Services Agency, providing a variety of services to diversified groups within the town and surrounding area.

During 1987 volunteer drivers drove over 15,000 miles to deliver 20,000 meals to Ossipee elderly recipients. In addition to a hot meal, these same volunteers provide a daily contact, deliver commodity foods, Christmas gifts, shop for groceries, pick up mail and prescriptions, and provide for some recipients their most important, if not only, contact with the community. To these volunteers we offer our sincere gratitude for the efforts you provide to ensure the success of this program.

Congregate Meals continue to be provided on Tuesday, Wednesday, and Thursday of each week. These meals are served at noon and anyone over 60 is welcome. 3000 congregate meals were served in 1987 at the Senior Center, located on Dore Street in Center Ossipee.

Yearly Flu shot clinics and monthly blood pressure readings continue to be provided through the Visiting Nurse Association. Transportation for shopping and limited medical visits is available to Seniors as requested. Monthly recreational programs are also offered.

The Carroll County Women, Infant, and Children (WIC) Program which is sponsored by Ossipee Concerned Citizens, continues to provide nutrition counseling and food vouchers to over 750 clients throughout the county. This figure includes 190 Ossipee residents. WIC is funded by the United States Department of Agriculture and is available to all eligible persons, regardless of race, color, creed, age, sex, handicap, or national origin.

In cooperation with the Ossipee Police Department, and thanks to Indian Head Bank, Shop 'n Save, Indian Mound IGA, PB & J's, Ossipee Central School, and to many personal donations, our Santa Project provided food and toys to 75 families.

Plans for 1988, in addition to the continuation of our present programs, will include the design and construction of an additional 2600 square feet of space, which will be used to house planned adult and child Day Care Programs. Voters will be asked at this year's Town Meeting to approve a request to provide a long term lease for the Senior Center building and adjacent land which will enable us to borrow the funds necessary for this project.

The staff and members of the board of OCC are grateful for the support of the town, and look forward to many more years of serving the needs of Ossipee and its residents.

DONNA E. SARGENT, Executive Director
EDITH W. GIMPEL, Chairman of the Board

OSSIPEE WATER AND SEWER DEPARTMENT

Annual Report 1987

To the Citizens and Board of Selectmen of Ossipee:

The daily task of operation & maintenance utilizes most of the Departments time. However, 1987 has become a demanding year, line extension, replacement of old & antiquated mains, new services of water and/or sewer, concrete work at our water reservoir as well as office paper work has created a backlog of work we have not been able to gain on.

In Oct. we were able to look to the Town office for billing assistance, this has been most helpful. Nevertheless, I must say we need more help (EPA) Environment Protection Agency & Water Supply and Pollution Control Commission (WS & PCC) are placing more demands upon the Water suppliers. Corrosion Control, Filtration of Surface supplies, well exploration are only a few of their mandated requests. Each of these require meetings, proposals, Funding, as we have no Town Engineer, consultation costs must be raised and borrowed.

You have seen Ossipee grow this year, many changes confront us as a community, Water & Wastewater lines for the most part are out of sight thus often not thought of however, an essential part of life, water & care of wastewater are both problems of the future concerns for our systems are here & now. We as a Department will strive to keep these priorities before you, consequently please do not be naive, the expense for these commodities will be directly felt in the Water/Sewer charges.

This report at the close of 1987 is to impress upon you as the residents & users that safe clean water is becoming a costly essential to enjoy.

On the lighter side Our Board of Selectmen have been supportive. Our Town Managers for the short time have been very helpful thus far, & other Departments have been likewise. Importantly, the Town office have been a constant help. For these actions in behalf of all Citizens volunteers & Town employees. I thank you kindly. We are not in the Dore Street office much but you are welcome when you can catch us there.

“Our Concerns are in Your Behalf.”

REPORT OF TOWN FOREST FIRE WARDEN

1987 Annual Report

To the Selectmen and Citizens of Ossipee:

1987 was a busy, and a productive year. This Department put together a town forest fire plan, conducted a town wide forest fire training program, assisted in giving the States' school fire prevention program, and applied for and received a grant from the State to purchase forestry hose and hose carrying bags that will be distributed among the fire precincts.

Deputy Warden Paul Valley, a 14 year veteran of this department retired in 1987. His experience and community service will be greatly missed.

Fire suppression was active but not costly in loss of property. Federal statistics say 90% of all forest or brush fires are caused by humans. This year in Ossipee it was 100%, with fires caused by carelessly discarded cigarettes, faulty muffler, or just poor judgement. During many of our smoke investigations or service calls we found evidence of unauthorized camping and picnicking along off road vehicle trails. To prevent the needless calling out of firefighters and searching for smoke from these types of fires, this department insists on the issuing of fire permits as part of an active prevention program.

I am grateful for the valuable assistance of my Deputy Wardens. To the Town Officials, other Department Heads, and the citizens of Ossipee, I thank you for your cooperation and assistance. Remember only you can prevent forest fires.

1987 DEPARTMENT STATISTICS:

Fire permits issued	312
Service calls	17
Smoke investigations	13
Fires	6

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with YOUR help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest Landowners, Contact your Board of Selectmen for timber tax forms.
